From

C. Seenacshaya Esquire

Barrister-at-Law

Government Advocate in Mysore.

To

The Chief Secretary to the

Government of Mysore

Sir,

I have the honor to submit for the Dewan's orders, copy of a D.O letter from Mr Assistant Government Advocate Ramaswamy Iyer.

2. He writes to me on three subjects— first, a clerk to help him in the discharge of his official duties

second, peons for him and

third, an office room to be placed at his

disposal.

As regards the clerk, I
you that Venkata Giriappa was ... Peruvaie
clerk before my appointment as Govern
= ment Advocate in May 1881, that he
was doing duty as Government Advocate's
clerk from May 1881 to 1885, with salary
given out of my own funds, that in
August 1885, the Government sanctioned
a salary of 30 Rs a month for seven
months tentatively, that in April 1886,
his retention for a further period of
six months with an increased salary of
40 Rs was sanctioned, that again his
further retention for twelve months was
sanctioned in October 1886, and that a
similar further extension for another year
was sanctioned in October 1887, and again
in November 1888 for a further term
of one year, and lastly for a further

period of two years in October 1889.

3. For facility of reference, I submit a original (to be obligingly returned) the Government Proceedings referred to above

4 By the end of September last, the last term of extension ceased and he has since ceased to draw his pay, but has been performing his usual duties, as would appear from Mr Ramaswami Iyer's letter. In anticipation of certain expected changes involving among others the creation of the office of Assistant Government Advocate, I delayed making this reference about the Government Advocate's clerk, and now the matter has been pressed upon my attention by the Assistant Government Advocate, under whom the chief duties of the clerk would lie.

5. I would respectfully beg that the Government will be pleased to sanction the permanent entertainment of Vencata Giriappa, as Government Advocate's clerk on the salary he has been allowed to draw since April 1886, viz 40 Rs. Though his duties will mostly lie with the Assistant Government Advocate, he will be required occasionally to assist me in such cases where my opinion as the Government Law officer is sought; and since June 1890, there have been 42 such references to me. Vencata Giriappa is thoroughly well-up in his work, a work which requires some knowledge and experience; and as the financial aspect of his appointment was repeatedly submitted to Government, I consider it unnecessary to re-iterate it here. In soliciting

his confirmation, I beg that his services since his first entertainment on the 22nd August 1885 may be recognized and that he be allowed to draw his pay since 1st October 1891 when his last term of office ceased.

6. I beg the Government to sanction the entertainment of a peon on 6 Rs by the Assistant Government Advocate. So long as I was the Government Advocate, pure and simple, I had two peons attach= =ed to me for this office, and they re= =mained with me for a few months after my appointment as Legislative Secretary but subsequently they were recalled by the then Under-Secretary Mr Sreenivas= =acharlu.

7. Lastly, I beg that a room in the Public buildings may be placed at the disposal of the Assistant

Government Advocate: The room which I occupied as Government Advocate was taken away from me and owing to some arrangements made by Colonel Bowen which required the use of the up-stair room which the officials of the Legislative and Registration Depart= = ments had been occupying, my office establishments of the two Departments were transferred to the ground-floor room occupied by me as Government Advocate.

8. I solicit early orders on the subjects referred to by me.

(17/a)

My dear Sir,

I wish to call your attention to some points in connexion with my appointment as Assistant Government Advocate; the first is about a clerk to help me in my duties. From long time, Venkatagiriappa has been the Government Advocate's clerk and was drawing a pay of 40 Rs a month; but he does not appear to have been borne on the Government establishment, his tenure of office has been occasionally renewed at short intervals and in September the term granted by the Government expired, he has since ceased to draw his pay, but has been however, doing

He work under me and has been so working ever since I assumed charge of the court work of the Government Advocate since July 1890.

He has given me complete satisfaction and I would very much wish that his services are retained

I wish also to state that I have no peons attached to me. I shall feel obliged by your sending me a peon or two.

I am now without an office-room and should like to have a room placed at my disposal in the Public building for transacting my work as Assistant Government Advocate.

Yours faithfully

Sir,

I am submitting for the favorable consideration of the Government in letter No. 62 dated 15th Instant in original from the Assistant Government I have the honor respectfully to state that the Clerical work in the Assistant Government Advocate's Office has increased latterly to such a very great extent that it is hardly possible for the only Clerk employed there to cope with it.

2. The appointment of Assistant Govt

Govt. Advocate was created on 1st. January 1892 from which date the System of allowing Special fees for Appeals against Magisterial Convictions and Revision Cases ceased. So long as the Special fee System was in vogue, the appearance of the Government Advocate in the Conduct of such Cases was seldom sought for. as would appear from the Statistics of the previous years, as shewn in the enclosed Abstract Statement - but since 1st. January 1892 the Assistant Government is almost invariably required to appear in all these Cases.

From a total of 71 appearances in 1891, the number rose up 6219 in 1892 and for the first quarter

of

of 1893 to 61, making an average of 240 for last year.

Besides attending to the Prosecution work in all these Cases, and the Miscellaneous Correspondence work in the Assistant Govt. Advocate's Office, the Clerk has to attend upon me in Cases where my opinion is sought as Govt. Advocate, and such Cases are not small in number.

I therefore support the recommendation of the Assistant Govt. Advocate to increase the Salary of his clerk, Sanction an additional Clerk on 20 Rs. & a peon.

Sir,

I have the honr to inform you that the work in the office is greatly increasing and is too heavy for a single Clerk to manage.

2. The enclosed Statements will show the work since my appointment as Assistant Govt Advocate is nearly 4 times in previous years. I get notices in all Sessions Appeals from the 3 Divisions, in almost all

all Criminal Appeals against convictions by Magistrates of 1st. Class in the Bangalore & Kolar Districts and in a few cases in the Tumkur District.

3. In addition to the above I get notices in Criminal Revision Cases and Petitions

4. I have also to appear in Civil Cases on behalf of the Government.

5. H. Venkat Gerish the only Clerk in the Office has to do all the Copying work in all the Criminal & Civil Cases and in addition to it he has to attend to the Correspondence work in Communicating all the notices of the Chief Court to the District Magistrates & also the Government in Certain Cases. He has also to attend your Office in Cases referred to for your opinion

He has done all this work very satisfactorily and he had to work both in the Office and at home as the work was too much to be finished by a Single Clerk during ~~the~~ Office hours. I therefore propose the following to your Consideration and request you will kindly move the Government for Sanction.

1st. That the pay of the present clerk be raised from 40 to 50 Rupees

2nd. That an additional clerk on a pay of Rupees 20. be appointed.

3rd. That an additional peon on 6 Rupees be appointed there being only one peon at present

6. In Consideration of the Clerk having done his work Satisfactorily

18

I would Suggest that the increase may be given ~~to~~ him with retrospective effect from 1st January 1892.

Grounds of proposition

The following are the grounds for promotion proposed to be given to Clerk Venkat Gowda & I request that you will kindly support the recommendation with such additional grounds as may occur to you, he having been employed directly under you for nearly 7 years.

The work has increased since my appointment as Assistant Govt Advocate, I being required to appear nearly in all Criminal Appeals against the convictions of the Magistrates in the Nundidroog Division and also in all Civil Cases in additions to Appeals against convictions by Sessions Judges. There being no separate fees charged as before, registrations of the Magistrates have greatly increased

The amount of Copying work for the year 1892 is Rs 1157-10-8 that is nearly 96 Rs & odd a month which is in excess of the pay proposed for the existing Clerk & the pay proposed for the additional Clerk to be employed

The present clerk has been diligently

doing

doing his duties. I have found him since my appointment doing his duties to my entire satisfaction. His duties are numerous. He has to attend to copying records, prepare drafts of letters to Magistrates, Public Prosecutors, District Magistrates & Others and also to fair copy them, to register all letters received in the Office, to read Proceedings to the Government Advocate in cases where opinion is required by Government, District Magistrates & Heads of Departments to be given and other Sundry duties. He being the only Clerk in the Office there is no prospect of promotion. In consideration of all these I recommend the proposed increase to be given to him from January 1892.

Order No 5732 / J.F. 315-92 d/23-9-9

The combined offices of the Legislative Secretary and Govt advocate are held by one and the same Offcr, and it ~~would be a convenient arrangement if the~~ Asstant Govt advocate ~~is~~ does occupy some of the rooms of the Legislative Deptt ~~and utilize the services of the establishments under the Legislative Secretary and Govt advocate~~. As a great portion of the work in the Legislative Deptt is printed a clerk of that Office could well be spared to assist the Govt advocate's clerk whenever
